

Calling all Realtors - Get a **Pre-Sale** wash done now!

Are you tired of trying to sell dirty homes? Eco Wash BC will do a pre-sale wash which could help increase the sales price and create an additional selling point!

- Its Affordable
- Helps beautify the exterior of the home
- Gives the home more appeal
- Removes dust and dirt
- Removes discoloration from wood
- Removes mold, mildew and moss
- Give the house, driveway, sidewalk, deck, fences and roof a fresh appearance
- Professional power washing will keep the house and external areas cleaner for longer

A home that has been professionally power washed will create a great first impression to potential buyer and appraiser.

Our cleaning products are:

- water based biodegradable
- non flammable
- non abrasive
- contain no phosphate, chlorine or toxic/hazardous air pollutants.

Service Promise

Quality of work is one of Eco Wash's cornerstones. Once the job is complete, we will do a walk through check with you to make sure you are 100% satisfied with the work. Anything you are not happy with we will fix before we leave.

While extremely unlikely, accidents do happen. Just in case anything goes wrong, you can rest assured that we have insurance coverage for liability and WCB.

Quality service with environmentally safe products
